Blast Fury: 2D BomberMania

Introducing "Blast Fury: 2D BomberMania," a passion project crafted by me, [Your Name], in Unity. In this dynamic 2D Bomberman game, players dive into adrenaline-fueled battles set in intricately designed pixelated mazes. As the mastermind behind Blast Fury, I've meticulously honed every detail, from the retro-inspired graphics to the addictive gameplay mechanics. Players strategically place bombs to demolish obstacles, outmaneuver rivals, and claim victory in intense multiplayer skirmishes or challenging solo missions. With intuitive controls and a captivating soundtrack, Blast Fury delivers an immersive gaming experience that pays homage to the classics while offering a fresh, exhilarating twist. Get ready to unleash your inner bomber and conquer the maze in Blast Fury: 2D BomberMania!

A few pictures of this game and its level are available.
